#### WHAT'S WRONG?

With a state deficit running up into stratospheric millions we are motivated to wonder what is wrong with the machinery of government here in California?

An illuminating graph, published in the columns of this paper just a few days ago, showing that there are over 5,000 independent taxing agencies—agencies subject to no control in the levying of taxes—will explain why such a vast debt has been piled up by the various political subdivisions. That in itself, however, does not tell the whole story or reach down to the fundamentals.

#### SONOROUS SOUNDING

The words "public service" make a sonorous phrase, but are the genesis of many of the taxation evils and burdens from which we suffer. In reality they usually cloak a selfish purpose, the intent of which is for somebody's hand to dig deep into the state treasury to finance a whim, hobby or petty notion. As a result the budget every two years continues to edge and go more edgily out of balance. It is painfully apparent that we lack a business administration.

#### WHAT RILEY SAYS

The clearest thinker on the subject of state finances that we have in public life is State Controller Ray L. Riley, but his words of advice and admonition are only "a voice crying in the wilderness" of selfish desire and none will give him heed.

Under the present existence of selfishness, greed and disregard of (Continued on page 8)

## Pair Guilty In "Eggnog" Murder Case

MINEOLA, N. Y., Saturday, Jan. 25.—UP—A jury of 12 men early today found Mrs. Mary Frances Creighton and Everett C. Applegate, former American Legion official, guilty of first degree murder in the arsenic poisoning of Applegate's wife, Adah.

Death in the electric chair is mandatory. The jury brought in the verdict at 12:48 A. M. less than four hours after Judge Courtland A. Johnson completed his charge, in Nassau county court here.

The jury received the case at 8:55 last night.

(Both Applegate and Mrs. Creighton. (Continued on page 8)

## John A. Basham, Former Local Druggist Dies

Friends yesterday were informed of the death of John Alden Basham, former Richmond druggist, at his home in Menlo Park avenue in Berkeley at noon yesterday.

Mr. Basham, who was 55 years of age, passed away following an illness of about a year. He was apparently recovering until two days ago when he suffered a relapse.

Deceased operated a drug store at Eleventh street and Macdonald avenue from 1923 to 1929. During his residence here he made many friends who will mourn his death.

In 1929 Mr. Basham sold his business here and was employed by the Owl Drug Company as a traveling representative. He moved his home to Berkeley. After working for the Owl firm for a year, deceased purchased a drug store in San Francisco.

He is survived by his widow, Mrs. Elma Basham; two sons, John of Walnut Creek and Paul of Berkeley; and a daughter, Miss Helen Basham living at home.

Deceased was a member of the Masonic Fraternity of Richmond; the Scottish Rite and the Aahmes Shrine Temple of Oakland.

The body is at the Truman Undertaking parlor on Telegraph avenue in Oakland. Funeral services are pending. It is believed that Masonic rites will probably be held on Monday.

# GIRL SLAYER SUSPECT INDICTED

## STONE MAY BE LINKED IN DEATHS

FRESNO, Jan. 24.—Moving swiftly to thwart lynch law, the county grand jury today indicted Elton Stone, ex-convict for the murder of Mary Louis Stammer, 14, last November.

Citizens of this city were reported in an ugly mood with talk about the streets that officials had been given just "about 48 hours" in which to carry out justice in the case or face the consequences of mob action.

#### THREATS AIRED

Acting under the impetus of the outspoken threats and the tense situation here officers carrying an indictment warrant charging Stone with murder and two prior grand theft convictions, left for Folsom prison where Stone has been held since his arrest.

Before was expressed here that Stone might be smuggled into this city tomorrow or tomorrow night for a preliminary hearing.

#### CASE REVIEWED

With Stone's arrest, the murder of Mrs. Bertha Blagg, 40-year-old mother, assaulted and murdered in July, 1934, has been again drawn to the attention of the police. Chief of Police Frank Truax said today that he will question Stone about this case.

#### OTHER CRIMES

Other crimes besides that of the Stammer girl may be charged to Stone, in the opinion of investigators. In addition to the murder of Mrs. Blagg, San Diego authorities were interested in his possible connection with the kidnapping and slaying of Virginia Brooks in March, 1931, and the killing a month later, of Louise Teuber.

## All Plans For Birthday Ball Are Completed

Final preparations for the birthday ball to be held next Thursday night at Memorial hall were discussed last evening when a meeting of the committee in charge was held at the Brotherhood hall, E. L. Orr, the chairman, presided.

Orr reported that indications are that the ball this year will be even more successful than the one held last year; that ticket sales are mounting rapidly and at this time are in excess of the number sold at this time last year.

A ten-piece orchestra will provide the music for dancing. In addition, an amplifying system will be installed in other rooms of the hall to provide for the overflow crowds.

Money derived from the sale of tickets will be made available for infantile paralysis relief. The local fund is being administered by Mayor W. W. Scott, M. M. Dowling, E. L. Orr, Dr. C. R. Blake, Norah Purviance, L. J. Thomas and Emma Pearman.

## Divorce Asked On Cruelty Plea

MARTINEZ, Jan. 24.—Mrs. Margaret C. Mythen charges cruelty in a suit for divorce filed in superior court today against Francis J. Mythen through Attorney Harold Savallisch of Richmond.

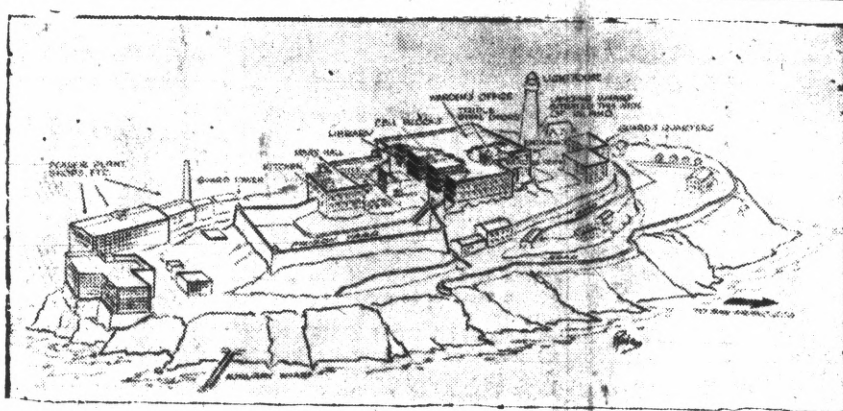

The couple married August 12, 1912, and separated January 13, 1936.

Mrs. Mythen asserts her husband called her names, struck her, and told her he was only waiting for their minor son to finish school "so I can get rid of you."

The couple have two children, Francis J. Mythen, Jr., 21, and Edward 13. Custody of the minor son and \$25 monthly alimony are asked by the plaintiff.

## Alcatraz Strike Broken Declares Warden Johnson

ALCATRAZ ISLAND, SAN FRANCISCO BAY, Jan. 24.—UP—A strike of 100 prisoners in Alcatraz Island Federal prison has been broken, Warden James Johnston announced today.

The warden said that 80 per cent of the men involved in the disturbance which began Monday have re-

turned to work under a "work or starve" order issued by prison authorities.

Johnston said perfect order had been restored. He refused to say whether Al Capone, the most famous of the Alcatraz prisoners, or George (Machine Gun) Kelly, had

taken part in the uprising.

This week's outbreak was the first to come to public knowledge, although reliable unofficial sources today said several similar outbreaks have occurred since the prison was opened about 18 months ago.

## Smith To Pay His Respects To New Deal

WASHINGTON, Jan. 24.—UP—Conservative Democratic opposition to President Roosevelt is expected to state its case against his reelection tomorrow night when former Governor Alfred E. Smith, addresses the American Liberty League before a capacity banquet audience.

Mr. Roosevelt's "happy warrior" of 1928 already has denounced the New Deal for creating a "bolshevism" when the Liberty League was organized in 1934 with Smith as one of the founders. Smith last spoke for Mr. Roosevelt in 1933—grudgingly in the opinion of some observers. Their break became final when he joined John J. Raskob and others in the new non-political organization.

The talk by Smith will be broadcast throughout the nation by the Columbia Broadcasting System at 7 o'clock Saturday night, Pacific Standard time.

## Killer's Escape Attempt Foiled

MARTINEZ, Jan. 24.—Florentio Castillo, 30 year old Filipino, accused of the hatchet murder of Isidro Lago, 24, at Concord, made an unsuccessful attempt to escape last night but was felled by a head-on collision with a car driven by Joaquin Direito, 625 Warrens street and was knocked to the ground and stunned. He was not seriously hurt.

Castillo was handcuffed when he made the break.

He was driving an automobile involved in the collision with a car operated by Miss Christensen.

Andruss was indicted by the grand jury December 13, following an investigation into the fatal injury of Miss Virginia Christensen, 28, Salinas teacher, in an automobile accident on the highway near Pinole, June 29.

## Three Found Guilty For Kidnap Plot

ST. PAUL, Jan. 24.—UP—Two Barker-Karpis gangsters and a former consulting engineer today were convicted of conspiracy in the rich Edward G. Bremer kidnapping. Verdicts of guilty were returned by a jury of 10 men and two women in Federal court against Harry Sawyer, William Weaver and Cassius MacDonald.

Judge Gunnar Nordbye immediately sentenced Weaver and Sawyer to life imprisonment.

Sentence for MacDonald was deferred a week.

The verdicts were returned after speedy deliberation. The jury received the case at 12:45 P. M., and announced at 4:30 that it had reached a verdict.

The men had been on trial for a month, during which time the government presented the same evidence which resulted last spring in conviction of Arthur (Doc) Barker and four associates on similar charges.

## Andruss' Trial Is Postponed

MARTINEZ, Jan. 24.—Continuation of the date for trial of Cecil Andruss, 31, of Richmond, who is facing a manslaughter charge, today had been ordered by Superior Judge A. F. Bray until February 11, at the request of defense attorneys.

The trial was scheduled to begin today but T. M. Carlson and R. V. Collins of Richmond, were engaged in a trial in Oakland and could not appear.

Andruss was indicted by the grand jury December 13, following an investigation into the fatal injury of Miss Virginia Christensen, 28, Salinas teacher, in an automobile accident on the highway near Pinole, June 29.

## LOCAL COPS TAKE PAIR IN HOLDUP

Formal charges of robbery and impersonating an officer were sworn against Sam Cook, 24, 909 Howard street, and his brother, Charles Cook, 26, of 924 Geary street, San Francisco, yesterday afternoon, following their arrest by local police and their confession to the robbery of a San Pablo cafe.

The charges were brought before Justice of the Peace L. F. Grover, in San Pablo by Deputy District Attorney Homer Patterson. The brothers were handed over to Sheriff John A. Miller to be held for trial.

#### ARRESTED HERE

The two were arrested by Richmond police shortly after one o'clock yesterday afternoon after they allegedly entered and robbed the San Pablo Tavern on San Pablo avenue in the town of San Pablo shortly before noon.

## C. Santaella, Sr., Local Resident, Called By Death

Death last evening claimed Christopher Santaella, Sr., 65, of 227 Second street, Santaella passed away at his home late last evening.

Santaella was a native of Monte Frio, Spain and was a retired merchant. He sold out his pool hall and cigar store in 1931.

Deceased had lived in this city for the past 16 years, in California 22 years and in the United States for the past 28 years.

He leaves his widow, Frances, two daughters, Mrs. Mary Ramos, of Walnut Grove and Mrs. Al Pretel, of San Francisco; four sons, Joe of Sunnyvale, John, Tony and Christopher, Jr., all of Richmond and six grand-children.

The body is at the Wilson and Kratzer chapel where final rites are pending.

## Two Are Held For Court Trial

Charged with assault with a deadly weapon with intent to commit murder, Charles Kellogg, 29, of 531 Macdonald avenue, was held to answer to the Superior Court by Police Judge C. A. O'Neil yesterday.

Kellogg was arrested by local police after an alleged family row at the home of his wife's parents, Mr. and Mrs. V. Peterson at 30 Seventeenth street. He is being held in lieu of \$2500 bail.

L. L. Wilcox, 33, of San Luis Obispo, charged with issuing fictitious checks, was also held to answer. He was arrested on the complaint of C. C. Clear, local automobile dealer.

## Seyferth Rites To Be Held Today

Funeral services will be conducted from the Wilson and Kratzer chapel at 2:30 this afternoon for the late Charles Franklin Seyferth, 64, of Pine and Fourth street, San Pablo, who died suddenly on Thursday.

Rev. K. B. Wallace will officiate at the services and interment will be in Sunset View cemetery.

## F.D.R. Bonus Bill Veto Is Snowed Under

WASHINGTON, Jan. 24.—The House of Representatives bolsterously over-ruled President Roosevelt's veto of the compromise soldier bonus bill 324 to 61 today in less than 45 minutes after the brief, handwritten document had been read to a hushed chamber.

The vote left the Senate as the only remaining barrier to full payment of \$2,227,000,000 in bonds, payable on or after June 16, 1939, to more than 3,500,000 veterans holding adjusted service certificates. The Senate usually sustains a bonus veto but leaders tonight forecast another defeat for Mr. Roosevelt when the upper house meets Monday to consider the issue.

#### VOTE MONDAY

Chairman Pat Harrison, Democrat, Mississippi, of the Senate Finance committee, one of the President's strongest opponents, said he would vote to override the veto and predicted it would not be sustained.

Inflationists, seeking to use the bonus payment as a springboard, sprang into action as soon as the vote was announced in the House. Representative Josh Lee, Democrat, Oklahoma, said he would introduce a bill to pay the bonus in greenbacks. A similar bill by Representative Wright Patman, Democrat, Texas, is pending, but leaders say it is dead.

#### HUGE COST SEEN

Senator Pat McCarran, Democrat, Nevada, leader of the Senate silver bloc, proposed payment of the bonus out of profits from the government's silver purchase program. He warned that the bond payment plan would cost taxpayers an additional \$1,300,000,000 in interest during the next 30 years.

## Local Officials Attend Session Of State C. Of C.

Representatives of Richmond and Contra Costa county attending yesterday's meeting of the State Chamber of Commerce held in San Francisco, urged action on the modernization of the Franklin Canyon highway, improvement of the Willow Pass cut-off and the need for the Arnold industrial highway.

The county delegates recommended that a number of curves on the Franklin canyon highway be eliminated, as well as several grades.

Delegates from this section of the state attended the session. Recommendations made by the representatives will be referred to the State highway commission by the Chamber of Commerce.

Mayor W. W. Scott headed the local group present at the session. With him were City Engineer E. A. Hoffman, City Manager J. A. McVittie, Fred D. Parr and Councilman Otto Ludwig.

## Philippines To Become Issue

SAN FRANCISCO, Jan. 24.—UP—The new Philippines commonwealth will be a major political issue in America within 10 years, William Allen White, editor of the Emporia (Kansas) Gazette, told a luncheon gathering at the Commonwealth Club today.

The editor, just returned from a trip to the Orient, told his audience the commonwealth set up in the islands was "just another of those noble experiments."

## STRIKE DEFINED TO BE MADE BY WORKERS

Unless transportation is furnished by February 2, workers on the Mare Island naval project for the WPA will be unable to report to work.

This will be the message to be taken before members of the board of supervisors of the county, the Oakland office of the WPA and the San Francisco office of the WPA today by a committee from the Richmond Unit of the Works Progress Unemployed Union.

#### VOTE IS TAKEN

At last night's meeting of the WPUU a vote was taken to have a committee of members of the organization call upon supervisors and WPA officials to demand that something be done to transport local workers to the navy yards.

Unless transportation is furnished by the "deadline" on Sunday, February 2, members of the WPUU of Contra Costa, Solano and Napa counties, will fail to appear for work on Monday morning, February 3.

## Ten Dead In Collision Of Auto, Train

FORT WAYNE, Ind., Jan. 24.—UP—Five-year-old Phyllis McBride was the only surviving member to night of a family of eleven crushed in their stalled automobile this afternoon by a speeding Washash passenger train.

Physicians at St. Joseph's hospital here, expected her to succumb before morning. She remained unconscious.

The death count rose to ten late tonight when Clara McBride, 14, died without regaining consciousness.

Coroner W. E. Kruse was investigating a theory that the father, Marion McBride, Sr., deliberately crashed his car in the path of the train in a desperate attempt to escape the entire family.

McBride was a WPA worker with meager means of existence. His wife was about to give birth to a tenth child.

## Six Killed In Crash Of Two Army Planes

HONOLULU, Saturday, Jan. 25.—UP—Six men were killed and two injured last night when two speeding army bombing planes collided in mid-air and crashed to the ground in flames.

The official list of dead: Lieut. W. G. Beard, San Francisco; Staff Sergeant R. F. Johnson, Honolulu; Private R. E. Taylor, Private Truman Gardner, Private John Arnesen, Private Parkhurst, first name withheld.

Two others were injured. The crash and resulting deaths comprised the first accident in recent army air history.

Hitting with terrific force 300 feet over Fort Island, planes No. 290, commanded by Lieut. Fletcher, who was injured and 291, commanded by Lieut. Beard, plunged headlong to the ground and soon became a mass of flames.

## FORMATION OF PRO FOOTBALL LOOP PLANNED

SAN FRANCISCO, Jan. 24—UP—Formation of a professional football league on the Pacific Coast, long discussed but never undertaken in the face of passive resistance from "collegiate" strongholds, appeared a couple of steps nearer tonight.

Equipped with an option on Kearsney stadium for five Sundays, bids from eight prospective franchise holders in California and the best wishes of numerous former, present and college football stars who would like to earn a little more change in their home towns, Joe O'Connor, energetic sports mogul of the Knights of Columbus, left tonight for Los Angeles for a conference.

### TO CONFER SOON

O'Connor will confer with Joe Carr, president of the National Professional Football League and his purpose will be to link the East and the West with the bonds of professional and financial understanding.

"My idea," O'Connor said, "is to organize a Northern California pro league which would have its own local play-off. The winner would play the top team of a Southern California league—which now exists except in name—and the victor of that team would meet the winner of the National League in a game which he would try to schedule on the West Coast."

### INCREASE IN INTEREST

The general outcome, O'Connor believes, would be a large-scale increase in interest in professional football and the emergence, each year, of a bona fide national professional championship team.

O'Connor is convinced that his plan is a sure-fire method of giving the West's football players back to the West.

"As it is now, the boys who play football in Western colleges, and who want to keep on with it when they graduate, can find lucrative openings only in Eastern pro teams," O'Connor maintained.

"GIVE BOYS A CHANCE"

"Nobody is going to offer them any money on the coast because there hasn't been an organized build-up of the game, and there are no clubs which have been successful in making it a paying business. When they get in the East, many of them find living expenses too high. I know one fellow who joined an Eastern team, and was able to save only \$1.10 a week."

O'Connor said that organization of a pro league would give football graduates a chance to continue with a post-graduate course or part-time business pursuits, financed by a playing income.

Knights of Columbus was presented with an option on Kearsney stadium, good for five Sundays during the regular fall season.

ANTIOCH MENTIONED

"Our Sunday games would not interfere with Catholic schools' contests which are played on the same day, because we would arrange our Northern California schedule so that the pro games would be played out of town when, say, St. Mary's and Santa Clara were to meet."

## High Quintets Split Two With Alhambra Squads

The Richmond Union high school basketball squad repeated their fan-favorite story last evening when the two squads joined to Martinez to meet the Alhambra team.

When the games had ended the local team had divided the double-bill, the victory going 34 to 30 and 31 to 20, winning by a margin of 14 to 10.

In the varsity game the Alhambra team took an early lead and held it through.

Alf Leich was high man for the local scoring 15 points, or exactly one-half of all the points scored for the locals.

The B team displayed its usual magnificent defense play and held the Alhambra team to 11 scattered points. Tetzschner was high man for the local team with 11 points.

On Friday the local teams opened the O. A. L. season by playing Berkeley at the high school gym.

The lineup first night included: Richmond Varsity—Lewis, Bohl, Correll, forwards; Villacovich, center; Whalen, Cline, Haha, guards.

Richmond Juniors—Bowles, Cecchi, Diaz, forwards; Tetzschner, center; Smith, Gidley, Quinn, guards.

## British Boat Is Feared Lost

SHANGHAI, Saturday, Jan. 24—UP—The British freighter Forthbridge, en route to Shanghai, was feared lost in the Sea of Japan, off Oki today.

Distress signals from the ship heard last night said that she was off and drifting helplessly and her crew of 32 were abandoning the bulk.

The Japanese freighter Kokoha Maru raced to attempt a rescue, but reported late in the night that she had not been able to find any trace of the Forthbridge's crew.

## NELSON PILES UP 24 POINTS FOR SANTA FE

Running their opponents, the Denver Inn five, into the ground in the first three periods, and then piling up the score in the closing moments of play, the league-leading Santa Fe basketball team, added another victory to its perfect record last night. The final count, found the railroaders on the long end of a 42-31 score.

### NELSON LEADING SCORER

Led by John Nelson the Santa Fe team completely outplayed the green and orange-clad Denver squad. Only the shooting of Wilson and Mark kept the losers in the game at all. Wilson tallied nine points while Mark hit the hoop for 10. Nelson was the leading scorer of the contest, amassing a total of 24 points on eleven field goals and two foul shots. This is one of the highest individual scoring marks of the year.

### HOSMER ALSO STARS

Hosmer, Denver guard, also turned in an excellent game. He continually broke up sure-scoring plays in under his own bucket, and his passing resulted in many of the Inn team's scores.

### SHOWS OLD FORM

With lanky Russ Christopher looping them in from all angles the Furrier's quintet moved into a tie for second place by downing the San Pablo Merchants in the opening game of the evening. For the first time this season the lanky center showed the flash that made him a star at Richmond High last season and walked off the court with a total of 17 points after his name.

### NEVER THREATEN

Except for a short rally in the third quarter the San Pablo team never threatened the lead of the Furrier team. The score at half time read 18 to 9, and the end of the game saw the Merchant outfit on the short end, 32-21.

Motik took the scoring honors for the locals with eight; Costa and Gardiner came next with five apiece. Ernie Melin showed a lot of stuff at the guard position for the winners and although he did not score any points was one of the most valuable men on the court.

## BRITISH POLO PLAYERS WILL MEET YANKEES

SAN FRANCISCO, Jan. 24—UP—San Francisco's biggest polo tournament yet staged will be held at Golden Gate Park Stadium February 14, 16, 19, and 23, against a select group of British riders.

Three of the Englishmen, Captain Eric-Tyrell Martin, Hesbeth H. Ches, and Major Prior Palmer, are members of the British Internationalists and will represent Great Britain against the United States in a similar event in England.

Hughes and Tyrell Martin are seven goal players, and Palmer is ranked at six. Major Phillip Magor, the other member of the group, is a four-goal star.

The American team has not been completed yet, but several top flight players in the United States are possible participants. Among the men who have been contacted are Winston Guest, ranked at nine goals; Tommy Hitchcock, who is ranked ten; Ray Guest ranked seven goals; Steve Williams, contestant in last year's Texas California series, ranked seven goals; and Stuart telegraph, New York polist who is ranked seven goals.

George Pope and Lin Howard, two California men, have signed to play for the Americans.

## Missing Climber Is Feared Dead

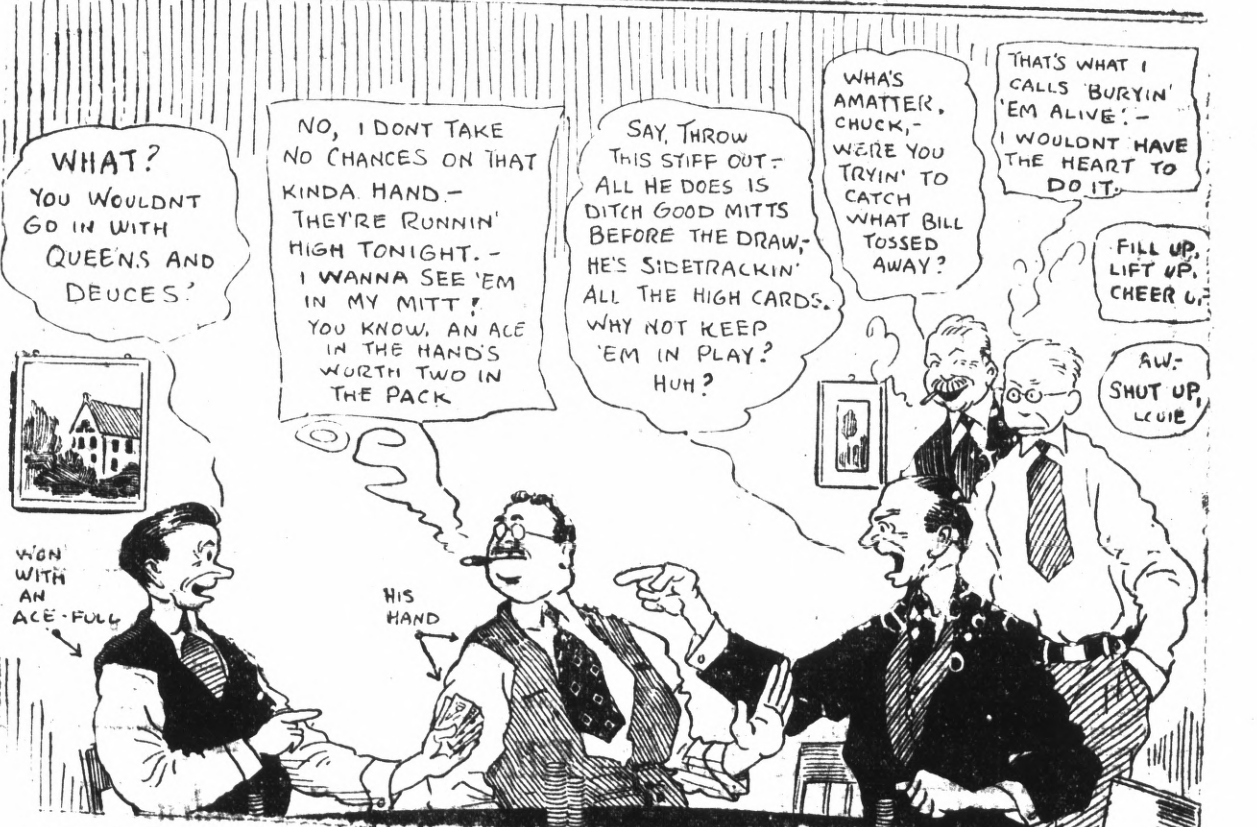

TACOMA, Wash., Jan. 24—UP—Although hope of finding him alive was virtually abandoned, Mt. Rainier National Park rangers tonight continued the search for Delmar Edden, Seattle skier, missing on the peak since January 12.

It was believed Edden perished in a blizzard. Veteran mountain climbers termed his attempt to scale the 14,968-foot peak in January as "foolhardy."

## Opposition To Neutrality Bill Not Satisfied

WASHINGTON, Jan. 24—UP—The Administration has failed to attract opposition to its neutrality bill, Senator William W. Johnson, Rep. Calif., revealed today.

After the Senate's foreign relations committee concluded its extensive session with Secretary of State Cordell Hull, Johnson told reporters: "We are as far apart as ever."

Hull authorized minor changes in the bill when Senators pointed out the original language would permit the President to throw the influence of the United States behind the League of Nations in applying economic sanctions.

## JOE JINKS

## NEGRO BOY IS SHOT IN TRY FOR FREEDOM

BIRMINGHAM, Ala., Jan. 24.—UP—Apparently crazed by a desire for freedom, One Powell, one of the nine Negro defendants in the famous Scottsboro assault trial, tried to slash his way to freedom today and was shot, probably fatally, by an Alabama sheriff.

Scarcely two hours later Governor Bibb Graves ordered state police masses in Birmingham "for eventualities."

Powell and his co-defendants were being transferred from the scene of the trial at Scottsboro when the youthful Negro drew a knife and slashed Deputy Sheriff Edgar Blaylock in the neck. Sheriff J. S. Sandlin of Morgan county, who was riding with the prisoner, fired point-blank, the bullet penetrating Powell's skull.

The Negro was seated in the rear of a car and handcuffed to Roy Wright and Clarence Norris, two of the co-defendants.

### DESCRIBES EVENTS

Sandlin described events:

"I noticed the Negro right behind me, Wright, reach over my shoulder and lock the door at my left," he said. "At the same time I looked up in the mirror and saw Powell with a knife. I grabbed Wright's left hand as he drew a knife with his right. Powell had cut Blaylock's throat while I was holding onto Wright's hand."

"I managed to stop the car and sound the siren. I shot Powell who was trying to go. Blaylock's pistol shot him once in the face."

By that time two other cars carrying guards and prisoners, screaming to a halt and officers came rushing up to aid Blaylock and Sandlin. The three Negroes, bloody and dazed, were dragged out and searched. Blaylock's wounds were not serious. Powell was brought to a hospital here. Surgeons who operated said he was shot twice, one bullet paralyzing his right side. He was given a 50-50 chance.

## OLD PEOPLE find way to keep breath wholesome

Halitosis (bad breath) quickly yields to Listerine, safe antiseptic and deodorant

Either because of stomach disturbances, food fermentation, or the wearing of false teeth, old people frequently have halitosis (bad breath). No wonder others consider them a nuisance.

But now Science has found that the regular use of Listerine will often overcome offensive breath odors due to the fermentation of tiny bits of food on mouth, teeth, or dental plate surfaces.

This safe antiseptic and quick deodorant works quickly. It cleanses mouth, teeth, and gum surfaces. Halitosis fermentation and putrefaction, a major cause of odors, and then counteracts the odors themselves.

Try using Listerine every two or three days. You will find how much more wholesome it leaves your mouth. How it sweetens your breath. Listerine Pharmaceutical Co., St. Louis, Mo.

## Judge Upholds Dismissal Of 'Red' Educator

EUREKA, Cal., Jan. 24.—UP—Permanent dismissal of Victor R. Jewett, social studies instructor, from the Eureka school system today was upheld by Superior Judge Harry W. Falk who sustained the action of the Eureka school board in suspending Jewett.

The teacher was accused of subversive activities, communistic in character. He denied the charges. Judge Falk said, in his decision, that Jewett violated his responsibilities as a teacher by failing to uphold the American constitution.

Jewett's trial climaxed a three-year fight over his teaching methods and allegedly subversive activities. He was suspended by the school board August 14.

Clarence Rust, Jewett's attorney, told the United Press in Berkeley today that the decision of Judge Falk would be appealed to the State Appellate Court and to the State Supreme Court, if necessary.

## ROTARY TOLD CITIES OF BAY REGION UNITED

The cities of San Francisco Bay are united on a new basis of cooperation for the common good through a realization that the good of one is the good of all.

This was the message of P. M. Sanford, president of the Chamber of Commerce, who was the principal speaker yesterday at the inter-city meeting of the Rotary Club, attended by a delegation from Oakland.

"Selling has always been the biggest job confronting the bay region," said Sanford. "Yet we can all recall the situation a few years ago when the various communities, each bent on its own advancement, built up a rivalry which was anything but helpful, and which in numerous cases drove new industries away and sent them to Los Angeles where a unified community spirit was eager to receive them."

"It took some years to come to the full realization that anything which benefits one bay community benefits all, and that realization brought about the changed spirit which is changing everything else."

Victor Gale of the Oakland delegation expressed the belief that 1936 will be only a good business year as business men make it their own intelligent efforts.

### NOT SO HOT

OAKLAND, Jan. 24.—UP—Two members of the energetic Arson family of Oakland found they weren't so hot today. Melvin Arson and Joseph Arson, brothers, were sentenced to 30 days in jail for turning in 17 false fire alarms.

With this appropriation, the state has advanced a total of \$100,000 for preliminary negotiations and rights of way. Officials said the state will be reimbursed by the federal government for the advances.

## SUBJECTS PAY LAST RESPECTS TO DEAD KING

LONDON, Jan. 24.—UP—King George's people began paying their final tribute today.

At 8 a. m. a column of mourners eight deep filed into Westminster Hall, split into two columns on four deep, and passed the catafalque on which his body lay.

The first to enter the great hall had waited outside since 6 o'clock last night.

The body will lie in state from 3 a. m. to 10 p. m. today, Saturday and Sunday, and will be buried at Windsor on Tuesday in a funeral service at Westminster Abbey, across from the hall.

A street funeral procession to the London railway station.

There were 3000 people in the hall when it was opened this morning. As the day advanced, the line stretched over further toward along the Thames, on which the House of Parliament which Westminster Hall is situated.

### FRAGS AT HALF MARCH

Drivers of automobiles and trucks passing a corner of the hall in a course through the antechamber, Whitehall and Victoria street, were ordered to a waiting place and to their heads. King George's standard flew at half mast from Victoria Tower at the other end of the Parliament building from the hall.

A carpet was stretched from public entrance of Old Palace to the hall.

The mourners, including children, whispered as they approached but fell silent as they reached the threshold.

John Brazil of Modesto, Intermountain, was in St. Joseph's cemetery. The child leaves his parents, sisters and four brothers.

### IMBACH IS MARRIED AT HOLLYWOOD

The marriage of George F. Imbach and Mrs. Arzella Sherburne, a business woman of Berkeley, took place yesterday at the home of the bride's mother, 1731 1/2 North Berendo street, Hollywood, according to word received last night by the Record-Herald. The couple will arrive here Sunday and make their residence at 656 Thirtieth street, where the groom has beautifully fitted up a home for the reception of his bride.

Imbach is one of the prominent residents of the city and since his advent here, when a boy, has always taken an active interest in affairs having for their objective the advancement of its welfare. He has served in various official capacities, at present a member of the City Council, and until the first of the year was mayor. Always active in veteran affairs he now occupies the post of department senior vice-commander of the V. F. W. department of California, and is in line this year for elevation to the highest honor that organization can bestow.

The bride is not well known here, but due to the many warm friends of her husband, is assured of a welcome from a host of people.

Mrs. Russell Robinson will be hostess to the group at its February meeting.

Refreshments were served by Mrs. Kates and the afternoon was spent in games and in a social manner.

### Depression Is Laid At Door Of Roosevelt

WASHINGTON, Jan. 24.—Herbert Hoover was pictured as the real conqueror of the depression in a book published today, blaming the 1933 bank panic on public fear of New Deal fiscal policies and lack of cooperation from the then President-elect, Franklin D. Roosevelt.

Claims made for the former President and possible 1936 Republican presidential candidate in the book entitled "The Hoover Administration" by Walter H. Newton, a former secretary to Mr. Hoover, and William Starr Myers Princeton University professor of politics include:

"The great depression reached its low point in June and July, 1932. Recovery began all over the world and has continued in greater or less measure in other countries until today, and President Hoover was the world leader who had contributed most to this victory over the chaos."

### MRS. RHODES IS HONORED WITH SHOWER

M. S. L. M. Rhodes was honored last evening at a shower given at the home of Mrs. Glenn Conn, 125 South Fifth street. The hostess was assisted by Mrs. Chester Rhodes and Mrs. Carl Stender.

Many beautiful gifts were presented to the honored guest during the evening. Games were played with prizes going to Alice Judkins, Enid Stender, Frances Pierce, Doris Rasmussen and Elita Rowe.

The home was prettily decorated for the occasion, the color scheme being carried out in yellow. At conclusion of the affair a delicious midnight supper was served.

Among those present were: Mrs. Glenn Conn, Mrs. Chester Rhodes, Mrs. Carl Stender, Enid Stender, Mrs. Esther Judkins, Mrs. William Rhodes, Mrs. Alice Judkins, Mrs. Grace Rhodes, Mrs. W. F. Freidrich, Mrs. Robert Freidrich, Doris Rasmussen, Mrs. Frances Pierce, Mrs. Marie Lee Kelly, Mrs. R. Fowler, Mrs. Gladys McDermid, Miss Margaret Conn, Mrs. F. The first meeting under direction of the new officers was held last evening by Contra Costa Temple of Pythian Sisters at the Brotherhood hall. Catherine Bender presided.

Eleanor Cartfield was installed to the post of protector by Mrs. Lucille Deane, assisted by Florence Tosh and Lorraine Michel.

Plans were made for a series of home whist parties—the first to be held at the home of Mrs. Florence Tosh on Twenty-sixth street on February 1. Mrs. Frances Michel will head the committee for three months.

Lucille Deane, Eleanor Cartfield, Minnie Graess and Evelyn Miller were named on the refreshments committee for the month of February.

Betty Bagnall and committee served refreshments last evening.

### Webb Rules On Signatures To Vote Petitions

SAN FRANCISCO, Jan. 24.—UP.—Signatures on petitions and referendums circulated and filed in California after January 1, 1936, are not legal unless the signers have re-registered since that date, according to a ruling today by Attorney General U. S. Webb.

Only in instances where a petition has been circulated and signed prior to January 1, but filed after that date, can the requirement of new registration be avoided, Webb said. The opinion was given in response to a question asked by District Attorney Benjamin Knight of Santa Cruz county.

## Hollywood Film Shop

HOLLYWOOD, Jan. 24.—UP.—Some sort of record-breaking attempt apparently is underway here as Twentieth Century-Fox continues building outdoor set.

In the first place, \$250,000 has been spent for only four. And each of them is of the "non-permanent" type.

One set covers an area of 23 acres. It is supposed to be a replica of an Algerian village.

Ronald Coleman, Victor McLaglen and Steven Simon went to work on it to make "Under Two Flags," but had a difficult time because of California rains, and off an island near the Florida coast.

The producing company had scheduled the film version of the Dionne quintuplets, "The Country Doctor," "A Message to Garcia," Wallace Beery, Barbara Stanwick and John Ford, and "The P-T-10 of Shark Island," with Turner Heister in the starring roles.

With that schedule on top of the Algerian village construction, the studios went ahead without breaking their stride.

The village of the Dionne quintuplets was built here. It included a wharf and a replica of a huge lake steamer.

From the North back to the tropics was just another corner of the production lot when it came to creating an authentic locale for the filming of "A Message to Garcia."

A Cuban village and a plot of jungle and swamp was built. In all, the construction covered 10 acres.

Then the set builders turned their hand to constructing a Civil War fortress on an island, Shark Island, off the coast of Florida, was reproduced complete with fortified walls, draw-bridge and a moat where sharks are supposed to swim.

With typical Hollywood disregard for the four sets will be tossed into the discard when the pictures for which they are intended are completed.

## FORMER FILM PLAYER TO BE FREED TODAY

TACOMA, Wash., Jan. 24.—UP.—Barrie D. Coughlins, known to motion picture fans as Duncan Renaldo, featured player in the jungle epic, "Trader Horn," will be released from McNeil Island Federal penitentiary tomorrow, only to face deportation proceedings.

He has been booked as "prisoner" No. 10, 895-M, since May, 1934, when he was sentenced from Los Angeles to serve two years for swearing falsely to an affidavit in obtaining a passport to make the jungle picture in Africa. He certified he was an American citizen.

Renaldo will not be permitted to resume his picture career in the United States. As the prison gates close behind him, he will be met by immigration officers. He probably will be held for a month in the Seattle immigration detention station before being sent to New York, and later to Roumania, his native land.

Renaldo is said to have been a model prisoner and earned "time off" for good behavior.

Several motion picture executives have attempted without success to have the deportation order set aside.

### TEETH BRING BAD LUCK

SAN FRANCISCO, Jan. 24.—UP.—The teeth that James Boland "found" on a tavern bar threatened to bite him today. Thomas Foulkes, owner, stormed into his dentist's office today to buy a new set, and found Boland there. Boland said he was "returning" the teeth. Foulkes charged Boland was attempting to sell his teeth. Police checked on the facts for a while and set Boland's hearing for Jan. 29.

### MUCOUS COLITIS

Mucous colitis is now a very common disease, inasmuch as the number of cases of this order is steadily increasing. Mucous colitis is marked by an irritability of the colon and the characteristic feature of this irritability is the formation of excessive quantities of mucus, the mucus being secreted by the mucous membrane which lines the large intestine.

Mucous colitis is primarily a disorder affecting young adults and those in their early thirties, and is far more common among those living in cities than among those living in the country. The patient usually is employed at work which induces mental tension or strain and which at the same time precludes exercise. The disorder is most frequent in women, probably being about five times as common in women as in men. Generally, the patient is of the nervous type, always in a hurry, and if the patient is questioned carefully, it will be found that a long period of sluggish elimination preceded the appearance of the colitis.

Colitis is invariably found before an attack of appendicitis, and the irritation and inflammation of the colon will antedate the symptoms of appendicitis. A typical case of mucous colitis is produced by a long-standing partial constipation. It is significant that the two conditions are so frequently found together and I believe that probably the main cause of colitis is the irritation induced by the retention of waste material which should have been eliminated.

The popular, although mistaken, treatment for sluggish elimination which depends upon the administration of strong laxatives or cathartics, only hastens the development of colitis, as many of these preparations contain substances which prove irritating. In fact, most modern physicians agree that the unwise use of harsh cathartics by the patient who relies on such remedies, is one of the chief causes of the colitis which subsequently develops. Often the patient will continue to take laxative preparations of one kind or another for years, changing from one to another as the first one becomes less effective.

The retention of toxic material, together with the irritation induced by laxatives will be sufficient to produce tender, irritated areas occurring in the mucous membrane and the final result is colitis. Colitis is particularly likely to result when the patient is of the type having an unstable nervous system, that is, when the autonomic nervous system reacts in an exaggerated degree to stimuli. In addition to the irritation and the instability of the nervous system, the patient is generally overworked, overtaxed, overexcited, and is producing habits of living which waste nervous energy. Any of the following habits which are "not good" may be sufficient to serve as a contributing cause in producing the final colitis: working under nervous strain, hurry, lack of exercise, lack of sleep, inadequate rest, worry.

Usually, the first symptom of approaching colitis is the finding of shreds of soft, tenacious mucus. As soon as the patient notices these shreds, he becomes greatly alarmed. In severe cases, in addition to the shreds of mucus, the patient will find that food is excreted in an undigested state. As a general rule, the appearance of the mucus will occur in "crisis periods" and the quantity will be sharply increased after the patient has been on a strain or after an unwise meal.

### QUESTIONS AND ANSWERS

(Dark Circles Under Eyes)  
Question: Linda F. wants to know: "Why is it that my eyes have such dark circles under them?"

Answer: The most common cause of dark circles under the eyes is enervation which may be produced by working too long, lack of sleep or various other excesses. The same dark circles may be produced by mal-nutrition. The best way to overcome this symptom is to build up the health of the entire body through using every possible helpful measure. Use a well-balanced diet, obtain plenty of sleep, secure wholesome recreation and see if the discoloration disappears. If it remains, after trying out good habits of living, have an examination. In your letter you do not state if you enjoy normal health and I therefore have no way of knowing whether or not other symptoms are present. Without knowing more about your case history and without examining you, it is almost impossible to tell you why these circles form.

(Sweet Potatoes on Half Shell)  
Question: Mrs. K. R. requests: "Will you please give me the recipe for Sweet Potatoes on the Half Shell? This published this recipe some time ago and I cut it out, but then I loaned it to a neighbor and she lost it. Would like to try it, if I can get the directions."

Answer: The receipt you request is as follows: Wash the sweet potatoes well and bake. Cut them in two, scoop out the pulp from the skins; mix pulp with butter, salt and cream and stir in some chopped roasted pecans or almonds. Fill the shells with the mixture, brush with melted butter and brown in a hot oven.

(Test for Anemia)  
Question: Haroldine L. wants to know: "I think I have anemia. How do I find out for sure?"

Answer: Have a blood test made. The result will be sharp.

#### WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel tired and sluggish and the world looks like a heavy burden, it's your liver and bile that are out of order. The reason for this is that your liver is not doing its job properly. It's not moving the bile out of your system fast enough. This causes a build-up of bile in your system, which makes you feel tired and sluggish. You need a liver pill to get your liver and bile back in order. Little Liver Pills are the best. They contain no calomel, and they are gentle on your stomach. They will help you feel better and more energetic. Try them today. You'll be glad you took them.

Things That Never Happen

## LOCAL COPS TAKE PAIR IN HOLDUP

(Continued from page 1)  
The two men entered the place and ordered sandwiches and drinks. One of the brothers, whom Gatto identified, told him that the two were state officers and that the Tavern was selling illicit liquor. They allegedly demanded that the be paid \$1. to "hush up" the complaint.

**REFUSED TO PAY**  
Gatto said he refused to pay them, declaring that he was only an employee and that they would have to see the boss. The Cooks remained at the Tavern for several minutes. Then one of the brothers allegedly drew an automatic pistol from his pocket, aimed it at Gatto and demanded money. They took \$15 from the till, Gatto said, and then forced him to go into a back room where they told him to stay "if he knew what was good for him."

**PURSUED BY CITIZEN**  
As the two men left the establishment, Lawrence Silva, a member of the San Pablo school board, entered. He saw the two get into their roadster and drive away, just as Gatto shouted to him. Silva jumped into his car and pursued the two. However they rapidly outdistanced him, but not before Silva had taken their license number which he gave police. A broadcast was made of the description of the car and its license number.

Shortly after 1 o'clock Officers S. W. Ligon and F. H. Hawkins "spotted" the car driving north on San Pablo avenue. They forced the machine over to the curb and arrested the brothers without resistance. They were uninjured at that time.

**WERE QUESTIONED**  
Taken to police station the Cooks were questioned by Police Chief L. E. Jones, Sheriff John A. Miller and Deputy District Attorney Homer Patterson. The pair allegedly confessed the robbery, but declared they were "too drunk" to remember what had happened.

They told police they were en route to Sacramento to visit a third brother, who is ill.  
Both were questioned by local police and Sheriff Miller, in an effort to link them with a short change gang. However, the pair denied any connection with the tricksters. San Francisco police have been asked to check their records.

**JIMMO BETTER**  
MARTINEZ, Jan. 24 — Deputy Sheriff Sal Jimmo of Pittsburg, who was wounded in the arm on December 13, when police killed Luciano Sanchez, Pittsburg grocer, in a gun battle, may be able to return to his home in Pittsburg Sunday. Sheriff John A. Miller talked to Jimmo today and said Jimmo told him the doctor believed he would be able to go home Sunday.

## Pair Guilty In "Eggnog" Murder Case

(Continued from page 1)

ton had been brought into the courtroom a few minutes before the verdict was read.  
Accused of poisoning the 23-year-old wife of Appleton by putting arsenic in her eggnog last September, each defendant attempted to blame the other for the crime during the ten days of the sensational trial which brought out Appleton's alleged intimate relations with both Mrs. Creighton and her 16-year-old daughter Ruth.

District Attorney Martin W. Littleton charged Mrs. Creighton aided Appleton in the poison murder because she feared her daughter would become the mother of Appleton's child. Both she and her daughter admitted relations with Appleton.

Appleton's motive was to get rid of his wife because she had learned of his unfaithfulness and was "beginning to talk" Littleton charged.

P. R. MILNES

(Continued from page 1)

the rights of others. Riley lately professed that any governor who attempted to re-organize the functions of our government and substantially reduce their costs "would become the most bitterly hated man within the State in six months."

**TOO MUCH SERVICE**  
A superabundance of service, in Riley's opinion accounts for the financial ills from which we are suffering, and he sees no improvement in sight by reason of there being "no general agreement" by a substantial number of people as to the reformatory fiscal program that should be put into effect.

"We are willing to sacrifice to other fellow's pet project, but want to maintain our own. We are willing to see the other fellow taxed but we want to minimize our own burden."

**LIST OUR ILLS**

Riley lists some of our ills as follows:

1. An impotent and purposeless leadership, divided into blocs and groups antagonistic to each other.
2. An overabundance of unsound economic proposals.
3. A willingness to try anything once.

4. The cumulative effect of public and private debt.

"Representative government," he declares, "no longer exists, because administrative officials constantly seek to determine the wishes of the people, rather than to lead them. Courage and initiative are lacking."

**THE SOLUTION?**

As a solution of the problem Riley suggests a study by business men to determine what functions of government can be abolished and where and how expenses can be trimmed. Although ordinarily not very enthusiastic about boards or commissions, or the results flowing from them, I am certain that business men with their suggestions could not muddle the situation beyond its present chaotic condition. Anyway, his suggestion is worth serious consideration.

## FEDERAL PROBE DEMANDED IN SHIP STRIKE

SAN FRANCISCO, Jan. 24.—UP—Maritime labor difficulties which have harassed the Pacific Coast for two years today brought demands for countermeasures for a strict Federal investigation.

The Maritime Federation of the Pacific, through the San Francisco Council, appealed for a Congressional inquiry first, charging that "waterfront employers, shippers and allied financial interests," had "smashed in a nation-wide drive to smash Pacific Coast maritime union."

**BRIDGES MAKES CHARGE**

Harry Bridges, firebrand leader of the 1934 waterfront strike and its resultant general strike, additionally charged employers planned a wholesale lockout against union workers. He said the move was designed to provoke nation-wide labor strife on the eve of the presidential election, thus discrediting the administration of Franklin D. Roosevelt.

**THROWING DUST**

"The Maritime Federation's appeal to the government for investigation of the Pacific Coast maritime labor situation is merely an attempt to divert attention from itself," said Thomas G. Plant, president of the Waterfront Employers' Association, in reply to Bridges.

Citing action of the International Seamen's Union in ordering its West Coast locals to divorce themselves from the Maritime Federation Plant asserted:

"Ending themselves thus exposed by organized labor, the federation makes an extravagant appeal to the government for assistance, hoping thereby to confuse the issue in the public mind and write it from under the spotlight."

"Employers would welcome a complete and thorough government investigation of the entire Pacific Coast maritime labor situation. In fact, we have earnestly endeavored for months to bring about just such an impartial inquiry."

**RADICAL-LED**

Plant labelled the unions "radical," and asserted they were "openly advocating the utter disregard of labor contracts and arbitration awards."

Commenting on employer opposition to the Maritime Federation, Bridges said:

"What they really object to is that the federation's constitution provides strikes cannot be settled without the vote of the membership while the International Seamen's Union constitution provides for them to be called off by the executive committee or district councils."

"It is plain to anyone that such labor traitors as Paul Scharrerberg and C. W. Deal cannot be successful if the federation continues."

Scharrenberg, veteran labor leader, recently was ousted by local I. S. U. vote, but appealed his case to the national group of the union. Deal is a leader in the ferryboatmen's union.

**CIVIL WAR THREATENED**

The maritime federation letter asking Federal investigation was addressed to Senator Royal Copeland, chairman of the Senate commerce committee.

"Unless the United States government intervenes there will be launched on the Pacific Coast within a month a struggle which will inevitably achieve the proportions of civil war," a statement accompanying the letter said.

Bridges said that employers planned to "tie up" their ships and publicly repudiate all recognition of maritime unions in the purportedly planned "lockout." Plant emphatically denied the charge.

**CLAIM LOCKOUT**

SAN FRANCISCO, Jan. 24.—UP—Officials of the Maritime Federation of the Pacific tonight said they had positive information the ship owners plan to call a lock out of all Pacific Coast Maritime Union members on Monday, January 27.

They warned that "only the people of the United States can prevent a civil war on the coast."

A spokesman said the San Francisco bay region district council of the Maritime Federation today appealed "to all members of labor unions in the nation" to write to President Roosevelt requesting immediate congressional investigation into plans of the ship owners.

They asserted that the shipowners and industrialists were preparing to "create a reign of Fascist terror on the Pacific Coast."

ELTON STONE, 30, paroled San Quentin convict, confessed to slaying of Mary Louise Stammer, 14-year-old Fresno high school girl. He was taken to Folsom Prison, authorities fearing mob violence in the valley town. A solitary thumbprint on a broken piece of window glass led to his capture.

## F. D. R. Bonus Bill Veto Is Snowed Under

(Continued from page 1)

contained only 210 words. It bluntly referred members of both Houses to the points he raised on May 22, 1935, when he read his veto message on the Patman "greenback" bonus bill to a joint session.

**ROOSEVELT REPEATED**

"My convictions are as compelling today as they were then," the President said. "Therefore, I cannot change them."

He went down to defeat decried by all but one of his House leaders, Speaker Joseph W. Byrnes, Democrat, Tennessee, did not vote on the motion to override but he voted for the bond bill when it was up earlier in the week. Minority Leader Bertrand Snell, Republican, New York, roared "no" when his name was called. Afterward he said:

"I wonder what has become of those congressmen who came here pledged to support President Roosevelt's policies?"

**PARTY LINES CUT**

The issue cut sharply across party lines, reflecting the political importance attached to the vote. A total of 66 Republicans joined with 248 Democrats, three Farmer-Labor and seven Progressives to override while 29 Republicans and only 32 Democrats voted to sustain the veto.

The galleries were only partly filled. Some veteran leaders, convinced that the last chapter is being written to the 17-year-old fight for the bonus, didn't even appear in their customary seats to check the vote.

**Merchants Will Meet On Monday**

Important business matters will be discussed by the Richmond Merchants' Association at its meeting on Monday at the Hotel Carquinez.

Samuel Leask, Jr., of Santa Cruz, a member of the State Unemployment Reserves Commission will be the speaker. Al Furrer will act as chairman of the evening and M. B. Harris will preside.

Nomination of directors will be held during the session.

(Continued from page 1)

and the subject of much discussion and study by the members of the union. A large number of WPA workers from this county are employed on the Mare Island project and out of their salary scales must pay bridge fare and transportation costs. Many have been riding with friends who have cars and have been paying for gasoline. However, car owners declare that they can no longer afford to drive their machines to the job, even with passengers paying the cost of gasoline.

A protest will be lodged by the union with the PWA on the payment of workers. On some projects in Richmond the paymaster appears and distributes the checks while on other near-by projects workers must go to the Oakland office to receive their money. It was declared.

**OFFICES ASKED**

A report was heard during the session that a letter will be written to WPA officials asking that an office be re-established in Richmond. The nearest office of the public works organization is in Oakland since the offices were closed in Richmond several weeks ago. Membership of the union was reported increasing rapidly. Napa county is organizing a unit of the organization.

Jack Faulkner of the Central Trades and Labor Council was a visitor last night and made a brief address to the group. Lee Mason presided.

## New Set-Up For WPA Planned To Reduce Red Tape

SAN FRANCISCO, Jan. 24.—UP—The reorganized WPA program, effective February 1, will eliminate much red tape in the organization.

William Anderson, representing Robert J. Hunkley, deputy WPA administrator for the western states, told a group of California administrators at a meeting in the office of Frank Y. McLaughlin, state administrator, today.

Anderson said responsibility will be concentrated under the new program, district administrators will be held responsible for prompt payment of payrolls and the provision of useful white collar jobs for clerical workers.
